Dear Andrew

I would like to thank you for according me the honour of opening the 'Courage to Care' exhibition in Armidale on Monday 22 February.

I was proud to be able to participate in such a special project and greatly moved by the memories of many of those present and others whose stories are depicted. The exhibition will, I am certain, be of particular benefit to our children and will bring a greater understanding and appreciation to us all of the need to live in harmony.

Again Andrew, thank you for allowing me this opportunity and I wish you well with this and future worthy projects.

Yours sincerely

*Congratulations Andrew -  
a great success*

GEORGE SOURIS MP
