I wish to thank B'nai B'rith and their members who made *Courage to Care* such a success. We wish to particularly thank you, James Altman, Judy Weiner, Jeannie Kitchener, and Sylvia Rosenblum. A special thank you also to the many volunteers who took the workshops and tours, which are an integral part of the exhibition's success.

Please find enclosed the media and visitation statistics, including selected comments from the visitation book and promotional material.

Please forward my thanks and congratulations on the success of the exhibition to all who were involved in the exhibition. I wish you all the best with future exhibitions and tours of *Courage to Care*.
