**Mr Andrew Harris,
Courage 2 Care,
22 Yurong St.,
East Sydney. 2010**

Dear Andrew,

On behalf of the Punchbowl Public School parent community I would like to thank you for your generous offer to provide a bus and entry to the "Courage 2 Care" exhibition for our parent body at the Liverpool Regional Museum.

You may be aware that a tradition of Parents Only excursions exists at our school as one of many strategies to help parents engage with the school curriculum, support their children, experience more of the Sydney environment and develop strong social connections. The "Courage 2 Care" exhibition will be another memorable experience for our parents and one which they will share with their families.

I understand that Anni McDougall has made representations to you on our behalf and this is one of a number of ways in which Anni is supporting our school.

I have attached copies of quotes for buses and we have booked the Punchbowl Bus Company for this excursion.

Thank you, once again for your kind and generous support of our school community.

Yours faithfully,

**Glen Stelzer,
Principal**
